TWO CENTURIES

SAUVIGNON BLANC 2017

RANGE BACKGROUND *A celebration of two centuries of skill, tradition and heritage, Two Centuries forms the apex of the multi-tiered range of wines produced by Nederburg. All single-varietal, including only a Cabernet Sauvignon and Sauvignon blanc, this "best of best" luxury collection of hand-made wines are produced from grapes sourced from the best vines within top-performing vineyards, jointly identified by Nederburg's highly-skilled winemaking and viticultural teams. These site-specific ultra-premium wines that express outstanding terroir are released only in exceptional vintages.*

This wine is made entirely from Sauvignon blanc grapes.

VINEYARDS *Grapes were sourced from single vineyard blocks in the Darling and Durbanville areas. Individual vines within identified vineyard blocks were chosen to provide fruit that stand out for their exceptional concentration and depth of aromas and flavours, as well as their fine balance of fruit, acid and sugar.*

WINEMAKING *Fruit from three individual vineyard blocks were selected and hand-harvested at 23° to 24° Balling. Grapes from the three vineyard blocks were separately vinified. After crushing, the free-run juice was drained and fermented. The grapes and juice were treated reductively prior to fermentation. A portion of the juice was fermented in small French oak barrels at 15° to 16° C and left on the fermentation lees for 9 months before being racked and blended.*
